

**College to University Articulation Agreement
Joint Institutional Agreement
Between
The University of Georgia
and
Abraham Baldwin Agricultural College
Agriscience and Environmental Systems Articulation**

The purpose of this Joint Institutional Agreement is to formally establish an educational partnership between the two institutions, and specifically, between the departments that administer Agriscience and Environmental Systems courses and degrees. Furthermore, this agreement is intended to provide greater access to higher educational opportunities for traditional and non-traditional students in the field of Agriscience and Environmental Systems.

All policies and procedures of the Board of Regents (BOR) of the University System of Georgia (USG), the Southern Association of Colleges and Schools (SACS), the University of Georgia (UGA), and Abraham Baldwin Agricultural College (ABAC) will be applicable to this agreement.

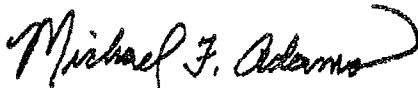

Students who earn the Associates of Science Degree from Abraham Baldwin Agricultural College by completing the list of courses presented below with a minimum Regents Grade Point Average of 2.8 will be offered transfer admission into the Agriscience and Environmental Systems program, College of Agricultural and Environmental Sciences, The University of Georgia. Prospective transfer students with a 2.5 – 2.8 transfer grade point average may be considered for admission on a case by case basis subject to space availability. Strong consideration will be given to students who have completed or are in progress of completing the intended courses listed below. All students are encouraged to consult with an academic advisor from both institutions as early as possible to plan course work that will best meet their individual educational goals.

The course numbers listed below are ABAC and UGA course prefixes and numbers; please consult the UGA transfer equivalency website for additional courses:
<http://www.admissions.uga.edu/apps/transferequiv/>

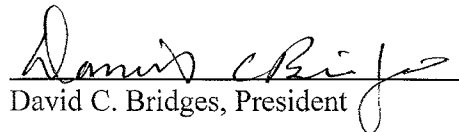

This agreement is valid starting with the date of signature of both Presidents and remains in effect until terminated in writing by either institution.

Associate of Science Degree at ABAC

Course Number	Course Name	Hours
<i>Year One - Fall Semester</i>		
BIOL 2107 and Lab	Principles of Biology I	4
ENGL 1101	Composition I	3
CRSS 2010 & 2010L OR HORT 2201	Introduction to Crop Science OR Principles of Horticulture	3-4
AGRI 2209	Agricultural Seminar	1
Area E	Social Science	3
PHED	any activity	1
<i>Year One - Spring Semester</i>		
BIOL 2108 and Lab	Principles of Biology II	4
ENGL 1102	Composition II	3
MATH 1113	Pre-Calculus Mathematics	4
COMM 1100	Human Communication	3
Area C	Humanities/Fine Arts	3
<i>Year Two - Fall Semester</i>		
CHEM 1211 and Lab	Principles of Chemistry I	4
CISM 2201	Fundamentals of Computer Applications	3
AECO 2258	Applied Economics	3
ASLH 2010 OR ASLH 1125	Introduction to Animal Science OR Introduction to Poultry Science	3
POLS 1101	American Government	3
<i>Year Two - Spring Semester</i>		
CHEM 1212 and Lab	Principles of Chemistry II	4
HIST 2112	United States History II	3
Area C	Humanities/Fine Arts	3
Ag Elective	Ag Elective - Area F	3
PHED 1100	Health and Wellness	2
PHED	Any Physical Education	1
TOTAL		64-65
