

The Gwinnett Stripers, Triple-A affiliate of the Atlanta Braves, are seeking highly-motivated intern candidates for the 2019 Season. The Stripers play at Coolray Field located in Lawrenceville, GA, a sand-based 419 Bermuda surface with a SAF infield built in 2009.

Requirements

Candidates must be currently enrolled in or recently graduated from a 2-to-4-year turfgrass program at the university level. Previous Baseball field experience is preferred but not required. Applicants should possess strong communication skills, have a high attention to detail, be self-motivated, and have a tremendous desire to learn and advance within the sports turf industry.

Duties

- Assist in the preparation of Coolray Field for all Stripers home games, high school games, and other outside events throughout the season
- Assist in the implementation of aerification, topdressing, overseeding, verticutting, etc.
- Handle clay work on mounds, home plate, infield skin, and warning track
- Aid in irrigation repairs and system tuning
- Tarp Management and weather situations
- Other duties may be assigned
