LAKE OCONEE

INTERNSHIP REYNOLDS LAKE OCONEE GREENSBORO, GA

Course Operation: Reynolds Lake Oconee is a 117-hole golf and lake community located in Greensboro, GA midway between Atlanta and Augusta. It was founded in the late 1980's and now consists of six world class golf courses. We are seeking motivated individuals for our 2019 class of interns. Pairing with our leaders the selected individuals will learn and develop skills that will benefit each other, educationally, professionally, and personally. After a customized on-boarding process, interns will be assigned a home course and paired up with a mentor superintendent as well as a Intern adviser to assist them in getting the most out of their time on the team. The first week will be spent building relationships with your mentor, and setting goals for the summer. Once initial levels of learning and leadership are reached, interns will enter rotations through each of our six different golf course maintenance operations. There will be multiple learning sessions where speakers will give presentations to develop the interns professional and industry knowledge in a real world applicable setting. Operating as a member of the maintenance team at the interns home course, the intern will be exposed to all facets of golf course management, equipment management, and golf operations. Upon the completion of our program, it is our desire that interns will possess the skills necessary to be a competitive job candidate due to their leadership, and operational knowledge.
