## Northwest Georgia Corn & Soybean Production Meeting & Using Pesticides Wisely – Dicamba Training Wednesday March 20, 2024 9am – 4pm

**Location:** Gordon County Extension  
1282 Highway 53 Spur, SW  
Calhoun, GA 30701

Pesticide credits for Private, Category 21  
and UPW applicators

### Registration Required for both meetings

**To register:** Please call Gordon County Extension at 706.629.8685 by Monday March 18 at noon to register attendance for the Corn/Soybean meeting and / or UPW Training.

### Corn / Soybean Production Agenda

- 9:00 Check in
- 9:20 Welcome, Wade Hutcheson, Walker County Extension
- 9:30 Disease Management update, Dr. Bob Kemerait
- 10:15 Weed Management update, Dr. Eric Prostko
- 11:00 Update from GA Corn Growers Association, Dr. Dewey Lee, GCGA Ex Dir
- 11:15 Sponsored Lunch
- 12:15 Insect Management update, Dr. Phillip Roberts
- 1:00 Soil Fertility for Corn: Back to the Basics or Taking it to the Next Level, Dr. Glen Harris
- 1:45 Pesticide Forms / Evaluation

### Using Pesticide Wisely – Dicamba Training

\*This training is required for in-crop applications of dicamba formulations in Engenia, XtendiMax, and Tavium labeled for use in tolerant cotton and soybean varieties. Growers that don't want to attend the corn/soybean meeting may attend just the afternoon session for UPW certification.

This is the only UPW meeting in NW GA. See 2024 UPW Training Locations for options.

- 2:00 Using Pesticides Wisely, Dr. Stanley Culpepper
- 3:30 Pesticide forms / Evaluation
- Adjourn

*If you are an individual with a disability who may require assistance or accommodation in order to participate in or receive the benefit of a service, program, or activity of UGA, or for more information, please contact us at 706.629.8685 or 706.638.2548.*
