Getting the Best of Pests

2016 WEBINAR SERIES

PEST MANAGEMENT PROFESSIONALS should take advantage of learning from this special group of speakers. See them live from the comfort of your office or home without travel or overnight costs. All you need is the ability to access the Internet!

All webinars aired 8-10 a.m. (EST).
All dates are Wednesdays.
COST IS $10 PER PERSON.

Register at gabugs.uga.edu
