

The University of Georgia Cooperative Extension - Coweta County and Yamaha Motor Manufacturing Company are partnering to form the Coweta County Environmental Science Club, an environmental educational program for adults and students (fourth grade and up).

**Join us for our first organizational meeting on
Saturday, June 20th
10:00 a.m.
Newnan YMCA**

Future meetings will be held on the third Saturday of each month at 10:00 a.m. at the Coweta County Extension Office or at other select locations dependent upon the selected activity for the month.

Please call Lana Jones at (770) 254-2620 or visit the Coweta County Extension Website for up-to-date information: <http://www.ugaextension.com/coweta/news.html>

Tentative meeting topics include:

What is a Watershed and How Do We Protect It?
Activity: Storm Drain Tiling

From Stream to Tap – How does our water end up at our tap ready to drink?
Activity: Tour of Water Treatment Facility

Recycling – What are the benefits to our community? What can you do to help?
Activity: Recycling Event

Adopt-A-Stream Program – What is it?
Activity: Learning to monitor a stream or river

Rainwater Harvesting – Water conservation through beneficial use of rainwater
Activity: Build and/or install rain barrels
