## Volunteer Program Code of Ethics

As a volunteer:

I believe that I am subject to a code of ethics similar to that of professional workers, I shall accept my assigned responsibilities and expect to be accountable for what I do. I realize that I will supplement work performed by paid employees and agree to work without monetary compensation.

In addition:

1. I promise to be dependable and will notify the appropriate people if I cannot work when scheduled.
2. I will respect the cultural backgrounds, family situations, and values of visitors and co-workers.
3. I will accept the policies of the Bamboo Farm & Coastal Gardens and of the University of Georgia.
4. I will dress in appropriate attire of garden tasks and weather.
5. While performing my volunteer duties I will keep in mind that I am a representative of the BFCG and will behave in a professional manner.

As a volunteer I can expect:

- To be treated as a valued co-worker.
- To have an appropriate assignment.
- To have access to safe equipment and proper supplies.
- To feel free to share information with my supervisor.
- To receive adequate supervision.
- To receive recognition for a job well done.
