

Prepare for Project Achievement NOW!

Now is the time to start thinking of project ideas for District Project Achievement. There are 66 different projects to choose from. Try to be original so you will stand out and be remembered.

If you are interested in competing in this event, you need to begin brainstorming and outlining your topic. We also have a portfolio workbook to keep track of your work. The competition will be held at Rock Eagle February 3-5, 2012.

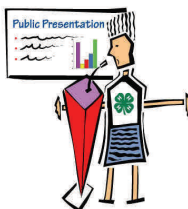

Portfolios are to be turned in to the 4-H office by December 21, 2011.

Here are a few helpful hints:

- Choose something you are interested in.
- Narrow your topic to give good information about a specific thing.
- If it is too broad, you will not present effectively.
- Research only reliable resources.
- Rough draft a speech in the same format as a 5 paragraph essay.

More information in upcoming

newsletters. **Now get started!** We will have workshops to help you with your portfolio and demonstration, but it is up to you to get the ball rolling. Ask your agent for a portfolio workbook.

As always, the Bryan County 4-H Club is collecting can tabs for the Ronald McDonald House. We need a volunteer from your school to provide a collection can and turn them into the 4-H office periodically. This is an excellent portfolio "caring and sharing" item. It may seem like a small effort, but the results are endless. We have a very large amount to donate at this time, so anymore will just make it an over-whelming contribution. **Please help make Bryan County a top contributor of can tabs for the Ronald McDonald House!** If you would like to be in charge of this project at your school, please let us know. Each school in the county will be competing for awards with the assistance of the local Ronald McDonald House.
