(Photo caption) A local 4-H member was recently named the 2<sup>nd</sup> place winner in the State Equine Photography Contest sponsored by the Agricultural Commodity Commission for Equine. Blakeney Elementary School fifth grader Caitlin Lancaster snapped and submitted this picture of her horse (above). There were 40 entries from across the state submitted by students aged 10 to 18 from which Caitlin's picture was selected. For her achievement, she earned a \$250 cash prize. Congratulations, Caitlin!
