To Whom It May Concern:

Camden County has over 900 youth ages 9 – 19 in our program. Our events offer great adventure, friendship and fun to each 4-H'er; the events also assist youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to become self-directing, productive and contributing members of society.

With the sponsorship of local businesses such as yours, Camden County 4-H will have the ability to continue offering the youth of 4-H a chance to attend events that seek to develop their Head, Heart, Hands and Health to make them better community citizens.

We are hosting the first annual 4-H Road Race in Camden County “The 4-H Lucky Clover Walk/Run” on Saturday, March 3, 2012. We are asking for sponsorship to help cover race expenses and in return your business will receive a variety of benefits depending on your level of sponsorship. For example, you will receive your business name on the t-shirt, the opportunity to have an informational table at the race, and acknowledgment of sponsorship and the beginning and conclusion of the race. In addition, silver, gold and platinum sponsors will receive two free entries to participate in the race. Please review the attached sponsor sheet for more details.

We will need your sponsorship decision by Friday, February 17, 2012.

All donations and fund-raiser money is used to benefit the youth in our organization. We are proud to have businesses, organizations, and individuals donate to make our programs successful. Camden County 4-H is a non-profit organization; and all contributions are deductible as a contribution for Federal Income tax purposes under the provisions which correspond to section 501(c)(3) of the IRS Code.

Thank you for supporting Camden County 4-H.

Sincerely,

Amber Defore
Camden County 4-H Agent
