Collecting Pop Tabs

Children in hospitals want their family nearby, but a hotel can be too expensive.

Ronald McDonald Houses provide a place for families for only \$10 a night! We help raise money for this by recycling pop tabs— those tiny aluminum tabs on the top of cola.

Create a collection jar for pop tabs at home, church, or your parent's work. Turn them in at your October meeting or bring to the 4-H office by Oct. 29. The club which collects the largest amount will receive a pizza party.

Christmas Card Contest

Use your creativity & design a card that will be chosen to be used by your Extension Office. Design a 4-H Christmas card on an 8.5 X 5.5 inch (or 5.5 X 8.5 inch) sheet of white, unlined paper. Include 4-H in the theme for the message or design, and try to use a universal "holiday" theme. All entries must be colorful so they can be reproduced on the holiday card if selected as the grand prize winner. Attach a sheet of paper with your name, age, phone number, address and school. Then bring it in the Extension Office before **October 15, 2011**.

Whether it was in rural or suburban or urban Georgia, 4-H is deeply involved in the community and the fabric of our lives." Ralston credits Georgia 4-H for producing thousands of leaders across Georgia.
