THE AMERICAN LEGION WELCOMES YOU

For God and Country, American Legion Thomas M. Post 45 has received multiple awards for Children and Youth Activities, Blood Donor, and Outstanding Post in the State of Georgia.

Activities include patriotic programs on Memorial Day and Veterans Day; sponsoring the Fourth of July and Veterans Day parades; sending upcoming senior High School boys to Boys State; presenting JrROTC medals to High School cadets; presenting The American Legion School Award to elementary, middle and high school students and a Veterans Day Essay Contest for middle school students. All current and former military personnel with wartime service are invited to attend the monthly meetings, which are held at the Post Home (160 McClure St, Canton, Ga). The American Legion Family includes an Auxiliary Unit and a Sons of the American Legion (SAL) squadron. There is also a Junior Auxiliary. Additional information can be obtained by calling Commander Raymond Rollins at 770-479-4613.

CHEROKEE COUNTY FAIR PREMIUM LIST SEPTEMBER 14-19, 2010

Exhibitors are requested not to bring their automobiles into the midway area except to unload exhibit articles. Flowers being exhibited may be watered during regular fair operating hours.

General Rules

1. The Cherokee County Fair will open it's gates to the public at 5pm on Tuesday, September 14th
2. Registration: All entries must be brought to the fairgrounds on Sunday or Monday to be registered. Hours of registration are from 2-5pm on Sunday and 9-noon and 3-5pm on Monday. Judging will begin at 10am Tuesday. No entries will be accepted for registration on Tuesday. Registration forms can be obtained at www.ugaextension.com/cherokee/
3. All entries must be left in place until Monday following the close of the fair. This rule is made in order to avoid confusion and so that the people who are unable to attend before the last day may see the exhibits. Entries may be picked up on Monday September 20th between 9-noon and 2-4pm. Must have the ticket stub to pick up entries.
4. Awards will be made by comparison. If any category has only one entry, the judges may determine the award to be made. Competent judges will be employed for all departments and their decisions will be final. The judges or the Fair Association are authorized to withhold any premium on any booth exhibit.
5. Awards will be designated by ribbons, but premiums will be paid according to the record in the judges books, as often ribbons are misplaced or changed by someone who has no authority. Premiums will be paid by mail before October 1.
6. No premium will be paid on articles not listed in this publication or removed prior to the designated time. Youth ages 5 to 8 and youth ages 9 to 19 may not enter articles under both categories. Participant must decide on category. Age divisions are strictly enforced.
7. While all precautions will be taken to safe guard the exhibits, it must be understood that the exhibits are entered into competition for prizes. The owners assume all responsibility for any accident, loss or damage that might occur. Neither the Fair Association, it's officers nor agents, will be responsible for any such accidents, losses or damages.
8. If by reason of fire, flood, unusually unfavorable weather, or bad financial conditions, the officials of the Fair Association should find it necessary to call of the fair, it is understood and agreed by all exhibitors that the obligation to pay any premiums offered in this listing will be canceled.
9. Any mistake in premiums must be reported within 10 days after a premium is paid in order for a correction to be made.
10. If a tie is declared, the premium will be equally divided. All checks for prizes must be cashed within 30 days to complete the records and audit of the fair books.

EDUCATIONAL COLLECTIVE EXHIBITS
