Service Learning Project |

Our Service Project for the year will be the Calvary Refuge Center.

This will encompass donating to Calvary Refuge Center. As the website says *Calvary Refuge Center is a safe, faith-based environment for individuals and families while providing the tools to transition from homelessness to self-sufficiency with dignity and pride...*

During the year we ask that you show compassion to those less fortunate than yourself. We would like for donations of the following throughout the school year. We will take the items collected each month and drop off at the Center.

The items are as follows...

1. Old cell phones
2. Old ink cartridges
3. Old newspapers
4. Toothbrushes
5. Toothpaste
6. Deodorant bar
7. Comb
8. Razors
9. Shampoo (liquid form)
10. Conditioner (liquid form)
11. Lunch bags & sandwich bags & zip lock bags
