Saturday, March 20, 2010
9:00 a.m. - 3:00 p.m.
JIM MILLER PARK
2245 CALLAWAY RD
MARIETTA GA

UPDATE: 02/05/2010
3:41 PM

Plants WILL NOT be held after 3:00 pm on pick up date 3/20/10.

PAYMENT MUST ACCOMPANY ALL ORDERS and ALL SALES ARE FINAL

NOTE: Cobb County 4-H makes no guarantees on plants sold.

LAST DAY TO ORDER MARCH 11, 2010.

BLACKBERRY Cost \$ 5.00 1 gal. size
Bushes are self-fruitful. They yield more in full sun but will tolerate some shade. Blackberries are relatively pest free and require little care once established and are not as aggressive as their wild cousins. Expect yields up to 3-4 pints per plant. We offer: Fewer thorns: Arapaho; Navaho; Thorny: Kiowa

CHRYSANTHA-EDGEWORTHIA Cost \$ 12.00 1 gal. size
The "Paperbush" is a very unusual and uncommon Daphne relative that bears white to bright yellow flowers on bare stems in winter. It is a semi shade plant and grows to 5 feet.
ONLY 95 AVAILABLE.

BLUEBERRY Cost \$ 10.00 2-3 gal. size
Bushes prefer full sun, but tolerate some shade. They are relatively pest free and require little care once established. Plant at least two bushes, each a different variety for cross-pollination.

Varieties available:

Early Season: Climax; Brightwell; Premier; Austin;

Mid Season: Bluebell; Tifblue; Powder Blue;

Late Season: Centurion; Ochlocknee (OCHL. HAS 100 AVAIL)

CRAPE MYRTLES Cost \$ 5.00 1 gal. size
Plants with distinctive exfoliating bark, are improved releases from the US Arboretum and have a high resistance to powdery mildew disease. Plants are approximately one foot tall and will grow to 10 to 20 feet depending on the variety. We offer: Arapaho (deep pink); Catawba (violet); Natchez (white); Pink Velour (bright pink); Sioux (Light pink)

RASPBERRY Cost \$ 5.00 1 gal. size
Follow the same culture as blackberries except these are fall bearing and easier to maintain. The variety is Heritage.

HEUCHERAS Cost \$6.00 1 gal. size
are perennials with striking foliage and textures.

Carmel—fuzzy glowing apricot foliage and purple-red undersides, pinky-cream flowers midsummer.
(ONLY 100 PLANTS AVAILABLE)

Raspberry Ice—pink and dark pink two-toned flowers over raspberry and frosty silver foliage.

Snow Angel—light green marble foliage with spider web variations

New! HELLEBORES Cost \$ 10.00 1 gal. size
This vegetatively propagated hybrid, requires a moist, shaded site.

WHITE SPOTTED LADY—creamy white flowers and leathery evergreen foliage. ONLY 100 AVAILABLE.

First come, first served.

RED LADY— Red flowers with thick, leathery, dark green leaves. ONLY 200 AVAILABLE. First come, first served.

PINK LADY— pink flowers and glossy dark green foliage ONLY 200 AVAILABLE. First come, first served.

IVORY PRINCE - silvery mottled evergreen foliage ONLY 150 AVAILABLE.

VIBURNUM - Spring Bouquet Cost \$6.00 1 Gallon Size

A hardy evergreen bushy shrub, reaching around 5 feet high, 6 feet wide. It has clusters of sweet smelling white or pink-tinged flowers which appear any time from November to February, depending on weather conditions. These are followed by pink berries which ripen to black. The small leathery leaves are a useful filler in flower arranging, and very long-lasting. Grow this compact cultivar in sun or part shade; once established, it needs no supplemental water.

ONLY 300 AVAILABLE.

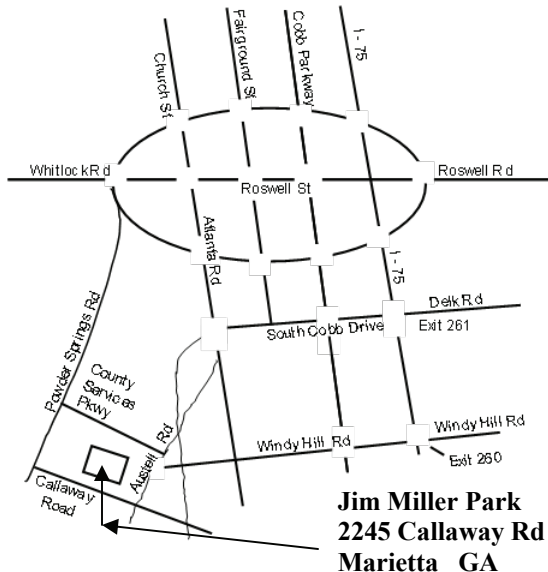

ADMIRAL SEMMES Cost \$ 12.00 2 gal. size.
Bright yellow, fragrant azalea. This 2007 Georgia Gold Medal plant flourishes in the hot, humid conditions of the South. A large deciduous shrub reported to be free of pests and diseases.

ONLY 225 AVAILABLE.

Does your soil provide for optimum plant growth? A standard routine soil test (\$6.00 per sample) will indicate current nutrient levels and recommend fertilizer and lime requirements.

Please call 770 528-4070 for instructions to take a soil test correctly or visit our website: www.cobbextension.com
