

Pounds of Pennies

Pounds of Pennies is another collection in progress. This is an annual effort from Columbia County youth to help the Salvation Army aid needy families during the holidays. Collect your pennies or pocket change. Keep the money in a dry plastic container so it won't get broken. Identify the container with your name and school, and **bring to the November meeting**. If your parents would rather you not bring the money to school, have them contact your 4-H leader for an alternate way to get the money into the right hands.

Cotton Consumer Judging Team

Do you get to shop for your own clothes and special comfort items? Earn the confidence to shop for yourself by joining the **Cotton Consumer Judging Team**. Learn to identify the best value for the need and the money. Your team will get a free trip to Conyers for the contest. We will compete on your shopping savvy against other teams in the district, and your parents may trust you to make wise decisions when you go shopping.

Volume 3, Issue 1

September 2011

My next 4-H club meeting is:

4-H Needs Pop Tabs

Pop Tabs. Calling all Columbia County 4-H'ers to collect Pop Tabs. **Pizza party to the middle school 4-H club with the most!** The tabs are sold to a recycle company. The money is used for the Ronald McDonald Houses. We're talking several thousand dollars to a good cause. Last year, Columbia County contributed over a **ton of tabs!** Not only that, it was over a ton less waste into the landfill. Collect tabs from everywhere. Get your family and relatives to collect them too.

Junior Conference

Junior Conference (7th & 8th grade 4-H'ers) Nov 5-6. This is a "don't miss" fun time for Juniors. See the Junior Conference flyer and sign up early. Spaces are limited. If you are a 7th grader who has been active with 4-H, and feel you may be ready to step into a leadership roll, talk to your club leader about the possibility of campaigning and running for Northeast Junior Board Officer.
