Registration for Cloverleaf Camp

On Saturday, February 25th, 9 am – 11 am, the doors of the Coweta County Extension Office will open for fifth and sixth graders to register for Rock Eagle Summer Camp. Our week of camp this year will be from June 11-15th. You must bring a completed registration form, a deposit in the form of a check, cash or money order, and a recent picture of the student. Total cost for the week of camp will be \$285; the minimum required deposit is \$125, then two payments of \$80 each will be spaced out over the next two months.

Avoid the line and maybe even earn money towards camp by competing at County and District Project Achievement. District competitors will receive an early bird application at that day, as well as an application for full and partial camp scholarships. You must pre-register for County Project Achievement by

4-H'er wins computer!

The Georgia 4-H Need-A-Computer winners were announced just in time for Christmas. One lucky young lady from Coweta County was thrilled to learn that she would be getting an early gift — only this Santa wears green clovers instead of a red suit!

Makayla Herndon, from Jefferson Parkway Elementary, was one of the eight applicants from the county, and one of the seventy in the state. She was presented her Dell desktop computer by 4-H School club leader Ms. Kecia Moronese, assisted by Coweta County Council president and Tech Team member Whitney Kirkpatrick, in front of her family, classmates, homeroom teacher, Mrs. Glenda Pope, mentor, Ms. Debbie Harrington, JPES principal Dr. Sean Dye and other faculty members. The Need-A-Computer Contest is sponsored by the Georgia 4-H Technology Leadership Team; computers are provided by the Georgia Walton Academy in Monroe.

Another early Christmas present!

Mrs. Leigh Massengill, 4-H Extension Associate, is proud to present her newest grandchild, Hudson Daniel Morris. Hudson is the son of Jeremy Morris and 4-H alumna Laura Massengill Morris. Hudson wasn't expected until Christmas Day, but he knew that his grandma was losing patience so he arrived on Wednesday, December 14th. Weighing a very healthy 8 pounds, 1 ounce, Hudson can't wait to attend his first 4-H meeting! The only question, which club will it be????

Coweta County's January Club of the Month

We are thrilled to present **Ms. Freyman's Bulldogs at Glanton Elementary** as the Coweta County Club of the Month. As a class, they make sure to get their newsletters signed by their parents, complete their FRIENDS magazines and participate in extra 4-H activities. Congratulations on all of their hard work!

Club of the Month is awarded to the club with the highest points. As you are aware, points are awarded to each club completing the most 4-H work and participating in the most out of school 4-H activities. Each school's Club of the Month results are list below. If you would like to see your club featured, check with your club leader and vice president as to how you can earn points for your club.
