Crawford County 4-H

One hundred years ago a school superintendent in Covington, Georgia started a Corn Club for boys. He taught research-based information for more efficient corn production to youth. 4-H was born!

Although agricultural, cooking, canning, and sewing projects still exist, today you are more likely to find 4-H'ers involved in leadership, service, and technology.

Cloverleaf DPA at Rock Eagle

Programs & Activities

- * Cloverleaf, Junior & Senior District Project Achievement
- * Jr/Sr Leadership Conferences
- * Forestry projects
- * SUMMER CAMP
- * Cotton Boll & Consumer Jamborww
