

## **DeKalb County 4-H Program Development Team**

(Lead Agents: Marie Trice & Pat Heggs)

Two members of the DeKalb County 4-H Program Development Team (PDT), Marie Trice and Patricia Heggs, were trained in the national curriculum, Essentials of Youth Development, a 6-8 hour training session. Extension Leadership System (ELS) Enhancement Grant funds will be used for 4-H supplies and curriculum materials.

DeKalb County 4-H PDT members will receive ‘mini-grant’ funding to attend the Annual Georgia 4-H Volunteer Leader Association Meeting held at Rock Eagle 4-H Center. Upon their return, delegates will share information learned during a subsequent PDT meeting.

Some of the ELS Enhancement Grant funds will be used to cover travel expenses for a new initiative. PDT members will participate in the “Be a Judge for a Day”. Members will also be trained to serve as 4-H Project Achievement judges and will volunteer to serve in this role at a district or area competition in which DeKalb County 4-H is not involved.
