

University of Georgia Horticulture Presents:

How to Prune Your Landscape Like a Pro

This program will cover the A-Z of proper pruning techniques for all of your ornamentals and will briefly cover pruning fruit trees. Equipment selection and care will be addressed in detail. We will also cover the when, where, and how's to prune certain plants and different techniques for creating a professional looking landscape. We will also spend some time addressing pest prevention through proper pruning procedures. The class will consist of both indoor lectures and outside hands-on demonstrations. Please dress warmly for the outside portion. Refreshments and lunch are included in program. Registration is required. Bob Westerfield and Bodie Pennisi, UGA Horticulturists, will be the program speakers.

Date: February 17 or February 24, 2012 **

Time: 9:00 AM - 3:00 PM

Location: UGA Griffin Campus
Research Education Garden Classroom
Griffin, GA 30223
