SOIL SAMPLES

- Make sure you fill out the information on the bag before you fill it with soil.
- We need a complete mailing address.
- Don't fill out the "PLANT CODE" line; this is a code # that the office will fill in.
- You can pay with cash or a check made out to Dougherty County 4-H.
- If you are doing multiple samples, DO make a chart of samples for you to keep, using Sample #'s that you choose (nor more that 5 or 6 characters). We don't do this, but we do need to know the crop for each sample.

EXAMPLE:

SAMPLE #	CROP(s)	Where collected:
#1 or A or SWest	Crimson clover	Southwest field
#2 or B or Bhouse	Sweet corn	Behind house
#3 or C or BarnL	Beans, tomatoes, broccoli	Plot on left side of barn
#4 or D or Front	Centipede	Front lawn

SAMPLE #	CROP(S)	WHERE COLLECTED
