Did You Know?

Where Your Pop Tabs Go....

- Many Ronald McDonald Houses work with local recycling centers to raise money by collecting tabs from aluminum cans.
- Ronald McDonald Houses collect pop tabs instead of entire aluminum cans because the tabs are pure high-quality aluminum, unlike cans, which consist of aluminum and other alloys. Tabs are also easier to store than whole cans.
- After the tabs are collected, the local RMHC Chapter brings the collection to local recycling centers, where they are weighed to determine their value. **One pound of tabs is worth 57 cents, and one gallon of pop tabs (4,175 tabs) is worth \$1.49.**
- The recycling center then sends the local RMHC Chapter or House a check for the total value. **To date, more than 400 million pop tabs have been collected, generating more than \$4 million.**

4-H Club Officers Complete Officer Training

Congratulations to our newly elected Cloverleaf 4-H Club Officers. The following 4-H'ers are now a member of a leadership team. This leadership team can make the difference between a "fantastic club" that everyone wants to be part of and a "hum-drum club" that most people could care less about! Which kind of club do you want? Officers should be enthusiastic, tactful, loyal, honest, friendly – that's one way to describe good 4-H officers. They let the members of the club help decide what the club will do and give everyone a fair chance. We look forward to having a wonderful 4-H year with each one of our clubs as our newly elected officers take an active leadership role in their club!

Eighty two newly elected 4-H officers attended the annual Officer Training on October 27 at the Claxton Elementary School. They received information that will be vital in conducting 4-H meetings for their club. Cloverleaf and Junior 4-H officers were trained by Senior 4-H club officers. The officers then enjoyed a team building relay race afterwards. All officers who were in attendance received a certificate and now have a better understanding of their responsibilities and duties during each month's club meetings.
