Newly Elected Cloverleaf 4-H Class Officers Complete Officer Training

Congratulations to our newly elected Cloverleaf 4-H Class Officers. These 4-H'ers are now a member of a leadership team. This leadership team can make the difference in the success of their class this 4-H year.

Officers should be enthusiastic, tactful, loyal, honest, friendly, organized and let members of the class help decide what the class will do and give everyone a fair chance. We look forward to having a wonderful 4-H year with each one of our classes as our newly elected officers take an active leadership role in their class.

Newly elected officers attended Officer Training on October 29th at the Claxton Middle School. They received information that will be vital in conducting 4-H meetings for their class. Cloverleaf and junior officers were trained by senior 4-H officers. Everyone then enjoyed a team building activity. All officers in attendance received a certificate and now have a better understanding of their responsibilities and duties during each month's 4-H class meetings. Newly elected cloverleaf 4-H officers for the 2009-2010 year are:
