

My name is Sally Brown, and I am a 7th grade student at Sillytown School I am the eldest of three children. My interests in life include cheerleading, shopping, listening to music on my iPod, being with friends, and vacationing at Walt Disney World. My interest in 4-H really began when I was 4 years old and made my first trip to Rock Eagle. As far as my future career plans are concerned, I hope to one day become a teacher and follow in my mother's footsteps.

Sports Project Work and Learning Experiences
