All participants must set up a time with Craig to finalize their presentations and prepare for the competition which is scheduled for March 11-13.

You can call the office at 770.305.5412 or send an e-mail to [cegross@uga.edu](mailto:cegross@uga.edu).

I know we have several experienced youth participating this year and I hope that you all have been working on your presentations for the event!
