

THE UNIVERSITY OF GEORGIA  
**COOPERATIVE  
EXTENSION**

College of Agricultural and Environmental Sciences  
College of Family and Consumer Sciences

Forsyth County Cooperative Extension Presents:

## **Vegetable Gardening Workshop and Seminar Series**

### **Jan. 28 — Seed Propagation Workshop**

Learn how to plant seeds, transplant seedlings, and build a seed starting station to take home. Limited to 25 participants. \$40.

### **Feb. 11 — Garden Planning and Soil Preparation**

Soil is your garden's most valuable asset. Learn how to enrich it — naturally. \$5.

### **March 10 — Planting and Caring for Cool Season Vegetables**

Extend your growing season with vegetables that like cool weather. \$5.

### **April 14 — Planting and Caring for Warm Season Vegetables**

Take advantage of Georgia's long warm season with planting strategies. \$5.

### **May 12 — Organic Gardening**

Organic gardening is healthy for you and your soil. Learn basic principles and practices for growing chemical-free food. \$5.

All Classes held at Central Park Recreation Building

9 a.m. to noon in the large meeting room.

Call 770-887-2418 to register for your choice of classes.

**Learning** *for* **Life**
