Spring Show Update

English Division 2011

Our show sheet is on the 4-H web page now.
We have a judge and a photographer. We do not have a tack vendor as originally planned, however there will be one on the grounds that day.

WORKER SIGN UP

Parents and Youth

This year it should be easy for all to work since we don't have a concession stand! The sign up list will start going around at the Feb. meeting. Everyone please sign up to help at the show.

Club Service Opportunity/fund raiser

“Horse Teams” Fund Raiser

Concession Stand March 25

“ 4-H District Science Day” at Camp Truitt Fulton

Since we have such great competition teams, it is just a matter of time before we have a team traveling somewhere to another National contest! We need to form a money reserve to help with team expenses for these trips when they are won.

We have been granted the opportunity to earn money by hosting a concession stand for a NON- Horse 4-H event for schools groups. We get the profit! Proceeds go into a fund for our future out of state trips.

Camp Fulton is located near the Atlanta airport in College Park. Time not yet announced, but we will only serve lunch and snacks.

Are you willing to donate canned drinks, candy, cookies or \$5.00 toward Pizza for this service project?

We will need a crew to work that day. Sign up for donations and workers at the Feb. meeting. We will plan to carpool with each other and meet there.
