Cloverleaf District Project Achievement (DPA)

February 12th found Henry County 4-H'ers competing at Cloverleaf District Project achievement at Rock Eagle. Henry County brought more Cloverleaf 4-H'ers and brought home more awards than any other county in Northwest District. Congratulation to Ms. Tracy and all Henry County Cloverleaf participants.

Many Junior and Senior 4-Hers served as teen leaders, and we had a tremendous amount of support from 4-H volunteers (pictured below). March 11-13 will find many of the same Henry County Junior and Senior 4-H'ers competing at District Project Achievement in more than 10 different categories. During the February meeting, we heard many of these presentations. Best wishes to all for a great experience.
