Re: Henry County 4-H Middle School After-school Program

To: Parents of Middle School 4-H'ers,

Allow me to take this opportunity to introduce myself. My name is Heather Dunning and I will be serving as your new 4-H Agent for Henry County. I am very excited about working with your child during all the exciting club meetings planned for the upcoming 2009/2010 4-H year!

This time of year is full of new beginnings, including our kickoff meeting in September for the 4-H Club at Henry County Middle Schools. Your child has enrolled with Henry County 4-H, as a participant in our Middle School Program. This year we will be focusing on Environmental Education, in which the youth will learn about recycling, nature beautification, and earth friendly practices for their community and world in which we live! We are excited about this new curriculum and look forward to having your child be apart of the 4-H program.

This letter also serves as an informational aid you the parent. The club meetings are held once monthly at each school. Club meetings begin promptly after school, and will dismiss at 5:00 pm sharp. The club leaders will escort your child from the meeting room to the front of the school for pickup. Please remember that our 4-H Leaders will have other activities and families to get home to as well in the afternoon and your promptness at pick-up will be greatly appreciated. Any child not picked up by 5:15 pm will be subject to after-hours fees, and might be restricted from future involvement for the year.

Please have your child return the signed permission letter at October's club meeting. If there is anything I can do to be of assistance to you, please do not hesitate to contact me. I am looking forward to a year full of exciting experiences!

Sincerely,

Heather Kelly Dunning
Henry County 4-H Agent
