

Garden Academy

Garden Academy is an evening program developed and offered by Houston County Extension and the Master Gardeners of Houston County. This program is open to people interested in learning more about gardening and general home landscape topics including water wise concepts. Learn the basics of landscaping design and how to apply the principles to your own yard. This popular multi-week class features speakers from the University of Georgia College of Agricultural and Environmental Sciences Cooperative Extension, green industry professionals, and Master Gardeners from the central Georgia area.
