

Project S.A.F.E. Participants and Parent Contract

In order for the Project S.A.F.E. to be both a rewarding and safe experience, 4-H'ers must abide by the Rules and Regulations set forth by the Club. They are as follows:

1. Practice attendance is required for club members. Absences must be excused by the coach prior to a scheduled practice.
2. Members must follow the directions and safety standards set by the coaches and the Georgia 4-H Code of Conduct. Failure to follow instructions can result in suspension from the club.
3. Horseplay and other unsafe behavior will result in suspension from the club.
4. Teams will be designated by the coaches.
5. In the event that a 4-H'er decides to quit or is suspended from the Archery Club, membership dues will not be refunded. This is necessary since supplies will be purchased in advance for each 4-H'er.
6. In all circumstances, shooters, parents and coaches are responsible for their actions and upholding the standards of the Georgia 4-H Project S.A.F.E. Program. All of us are expected to behave in a manner suitable for the promotion of a 4-H youth development program, high ideals, and the promotion of archery as a safe and respectable recreation activity. Cooperation, self-control, self-discipline and high standards of sportsmanship are expected at all times.
7. I am aware of the sporting equipment involved and the potential physical danger if safety and training are not followed. With respect to this potential danger, those volunteers who are coaching and providing the instructional training will deem it necessary to instruct and discipline from time to time for the best interests of all involved. The foremost concern is safety with skill attainment and enjoyment second.

As a member of the Lowndes County Project S.A.F.E. Club, I have read and understand the rules and regulations above as well as the Georgia 4-H Code of Conduct and agree to abide by them. I agree to abide by all rules and regulations regarding the Project S.A.F.E. Program or I forfeit the right to participate in project activities.
