

Monroe County 4-H

Shotgun

January 24, 2012

To: Monroe County 4-H S.A.F.E. shotgun team members & Parents

From: Abbie Bunn & S.A.F.E. team coaches

Thank you all for braving the drizzle and for your patience this past Sunday at our first team practice. A damp practice is better than a 35 degree practice. The 4-H'ers did a great job shooting and with helping set-up & clean-up. We are so excited to have such a large group of 4-H'ers participating this year. As of Sunday we have 33 registered team members. There is always the possibility of a few more additions. The coaches/volunteers will be working to set-up a second shooting station to help expedite the practice time for next Sunday. We look forward to a great season this year. Hopefully by the end of the week we will have a link on our website for you to refer to about practice schedule, and other information about the shotgun season. You can check it out: www.ugaextension.com/monroe

As always feel free to call Monday-Friday from 8:00 a.m.-5:00p.m. (478)994-7014

Thank you again and we will see you this coming Sunday,

Abbie Bunn
Monroe County 4-H Program Assistant
