

**Morgan County Master Gardener Receives Lifetime Master Gardener Certificate
Bobby Smith, Morgan County Extension Agent**

Morgan County Master Gardener, Julie Jenkins, recently received her Lifetime Master Gardener Certificate and Badge at a Morgan County Master Gardeners Association Meeting. Lifetime Master Gardeners are Master Gardeners who have completed 10 years of service to the community.

The Morgan County Master Gardeners Association is a local association of Master Gardeners that have completed Georgia Master Gardener Training. The Georgia Master Gardener Program is a part of the University of Georgia Cooperative Extension outreach to extend lifelong learning to those interested in gardening. The Morgan County Master Gardeners Association is a local group of people who have completed the Georgia Master Gardener training and are organized to promote learning through educational program and community involvement through local projects.

The Morgan County Master Gardeners Association meets monthly on the first Monday night to organize and carry out program goals. A new feature of the Morgan County Master Gardeners Association is to have an "Ask the Master Gardener," Program on Tuesdays from 8 until noon. A local Master Gardener will take your calls here in the Morgan County Extension Office and find answers to garden related questions. So if you have gardening questions give our Master Gardeners a call on Tuesdays mornings from 8 AM until noon at (706) 342-2214. If you or someone you know is interested in becoming a Master Gardener contact your local Extension Office at 1800ASKUGA1 or 1(800) 275-8421.
