

**Mastitis Workshop and Udder Lab Held  
Bobby Smith, UGA Cooperative Extension- Morgan County**

On April 14 a Mastitis Workshop and Udder Dissection Lab (in English and Spanish) for area dairymen and workers was held at the Morgan County Extension Office. The program highlighted Mastitis Prevention and Udder Health and Physiology. Peter Sook, National Sales Manager, and Marco Lopez, Customer Support Specialist, for Vi-Cor presented the program and wet lab with assistance from Bobby Smith, Morgan County Extension Coordinator, Lucy Ray, Jasper County ANR Agent, and Jonael Bosques, Greene County Extension Coordinator. The program was well attended with 28 total participants from area dairies.
