

Welcome Jonael and Annie!
Bobby Smith, County Extension Agent

Morgan, Putnam and Greene Counties: It is my pleasure to welcome Jonael Bosques Mendez as the Green County Extension Agriculture and Natural Resources Agent and Annie Kauffman as our Extension Secretary in Morgan County!

Jonael (pronounced Jonah) comes to us from Coffee County where he has been an Ag Agent for 2 years. Jonael brings a vast knowledge base in agriculture to the Greene County office. Jonael is originally from Puerto Rico and has the added advantage of speaking Spanish and will be able to extend our programming into Hispanic areas.

Many of you have had the opportunity to meet Jonael, as he started November 1. I am looking forward to working with Jonael to offer expanded programming in the Lake Oconee Area.

Annie began her career as our Extension Secretary on October 1. Annie brings a vast knowledge of administration and office management skills and has post secondary training in Home Economics. We are pleased to have Annie answering your calls and helping us extend lifelong learning to the citizens of Morgan County!

Call your local Extension Agent at (800) ASK-UGA1 1(800)275-8421 or locate your local Extension Office at <http://www.caes.uga.edu/extension/statewide.cfm>
