Health and Code of Conduct Forms

All students that participate in out-of-school activities must have their parent complete a health form for each event. A code of conduct form must be completed once a year. These forms are located on our website.

I pledge my **HEAD** to clearer thinking
My **HEART** to greater loyalty,
My **HANDS** to larger service, and
My **HEALTH** to better living,
for my club, my community, my country and my world.

PROJECT ACHIEVEMENT

In November and December we are working on a project called Project Achievement. Each student is being asked to give a demonstration in class during the month of December. Students will be choosing a topic in which they are interested, research their topic using 3-5 resources and prepare a speech. They are to write 3-5 paragraphs about 4-7 sentences long on the topic they choose. Their demonstration should be 3-6 minutes long. They may use props, posters or tri-folds, and even dress as their topic!

Students will be selected for District Project Achievement depending on the quality of their presentations. Those chosen will be presenting their demonstration at Georgia Highlands College in Rome, GA on January 28, 2012. 4-H'ers from all counties that comprise the North-west Georgia District will be participating on the same day.

If you have any questions, or would like some assistance in the preparation of your demonstration, call the 4-H center and we can schedule a time for you to come work on it!

OPERATION KOOL KIDS CLASSROOM CHALLENGE

Remember to keep collecting those pop-tabs and bringing them into your classroom!

The challenge for November is for the 5th graders to bring in boxes of macaroni and cheese and 6th graders are to bring in plastic jars of peanut butter for donations at Thanksgiving time. These must all be brought in by the 18th of November when the total amount will be recorded. The 5th and 6th grade classes that bring in the most donations, will win a prize.

Search for the Stars Audition

Auditions will be held on Tuesday, December 13 from 6:00 pm to 7:00 pm at the 4-H Center.

Please send an e-mail to slichey@uga.edu if you are planning on auditioning.

Performing Arts deals only with those individuals who perform an act or skills on stage. The various areas covered in these divisions are:

Performing Arts - Instrumental: Any talent act which is totally instrumental will fall in this area. Accompaniment is allowed, but not required, for 4-H'ers playing an instrument.

The accompaniment must not play the same melody as the soloist and should be complementary to the piece performed. The judges will not consider the accompaniment when scoring the performance. Accompaniment may be live or in CD or cassette formats.

Performing Arts - Vocal: This area evaluates the singing ability of a performer. Singers may play their own accompaniment, use an accompanist or use an accompaniment tape or CD. Instrumentation will not be judged in this area.

Performing Arts - General: Any talent act, which involves something other than or in addition to an instrument, will fall in this area. Examples are: Baton Twirling, Magic Act, Puppetry, Pantomime, Interpretive Reading, Singing & playing an instrument, Dance, Monologue, etc.

**District Project Achievement is on
Saturday, January 28 in Rome, Georgia**
