

2012 HOME FRUIT PROMOTION

1. The deadline for ordering is **Noon** on February 7, 2012.
2. All Twiggs County orders should be picked up on **Friday, February 17, 2012**, between 10:00 - 5:00 PM in Jeffersonville, at the Twiggs County Extension Office, Hendricks Building 31 Magnolia Street North. This will be the **only place, date, and time** for pick up. If you will be coming after **4:00 p.m.**, please call 945-3391 and let us know.
3. Be sure to order at least two varieties each, for plums, pears, apples, blueberries, and muscadines to insure good pollination. (As indicated below, Methly plum, Orient pear, Mollies and Golden Delicious apples as well as Cowart, and Triumph muscadines are sufficiently self-fruitful to allow planting on their own as individual trees or vines, however, a companion variety will improve fruit set.)
4. Please note that blueberries are available in two sizes, 1 gallon and 3 gallon. The advantages of a larger plant size, are better survival rate and earlier bearing.
5. Please refer to further instructions on the back, fill out this form completely and retain a copy for your records.
