If you are age 9-14 join us to be a part of the Wayne County 4-H S.A.F.E. BB Team, the Backwoods Bunch. The 4-H BB training program has been training youth to be safe and responsible for over 25 years. 4-H members learn through fun, educational and hands on activities. You will make new friends and travel around the state of Georgia to compete. The BB team practices twice a week and travels to different counties for competitions. In May the BB team will go to Rock Eagle for the State Competition.
