

January 2009

Webster County 4-H

Junior/Senior District Project Achievement

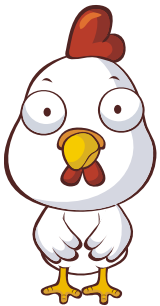

Junior/Senior DPA will be held at Rock Eagle on Friday, January 30 thru Sunday, February 1, 2009. You should have already decided on a project and completed your portfolio. If you need help finishing your speech and demonstration the 4-H office will be open most everyday after school. Please let me know, in advance, if you will be coming to the office so I can be sure the office is not over run with students. Starting on your speech and posters, before you arrive at the 4-H office, will help us reach our goal in a timely manner.

Poultry Judging Practices

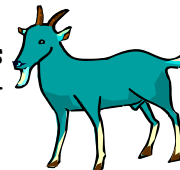

Poultry Judging

Practices for the poultry judging contest will begin around the first of March and continue until the contest on April 22 in Tifton. Poultry Judging involves looking at live birds, egg quality (both exterior and interior), ready-to-cook poultry and parts identification. If you are interested in participating on this year's team, let us know and we can make sure you are aware of the schedule and requirements for poultry judging.

Lambs and Goats

If you are interested in showing lambs and/or goats this year, now is the time to contact Ms. Laura Griffeth at the Extension office.
