

October 2008

Webster County 4-H

Water Day

On October 8th four Webster County students traveled to Randolph County for Water Day. Students learned about the Water Cycle, Aquifers, Drought and Enviroscape. We enjoyed lunch and water games with Randolph, Clay and Stewart Counties. Everyone had a great time and are looking forward to our next event.

Cloverleaf District Project Achievement

All 4th, 5th and 6th grade students are invited to participate in this year's District Project Achievement. All it takes is a little time and motivation to write a speech and develop a demonstration. A copy of your speech must be turned in by Friday, October 24th. If you are needing help with your project please let me know and we will schedule a time for you to come by the 4-H office so we can work on your project together. Competition will be Saturday, November 15th in Colquitt County.

Fair Exhibits

This year we had seven students participate in the Mini Booth Competition. Jessica Page entered a booth on "How to read a Pedigree" in a pink white and black color combination, while Gage Harden entered information on different chickens and received 3rd place in his division. Katie Harris received 5th place on her mini booth "Reach, Throw, Row, Don't Go" about water safety. Christopher Harris entered his project of "Falconry" and received 8th place. Joseph Harris, Hali McKinnon and Jessica Murillo's mini booths will be taken to the Albany Exchange Club Fair later this month for judging.

Dates to Remember

- ☺ **October 25th**
Webster County Lamb and Goat Show
- ☺ **October 25th**
Olde Tyme Country Fair, Preston
- ☺ **November 1st**

HAPPY HALLOWEEN

Georgia National Fair

Other than mini booths the GA National Fair in Perry offers a great deal more. A couple of 4-H'ers were able to take advantage of these opportunities this year. Leah Yates participated in the Variety Show singing "Jesus take the wheel" by Carrie Underwood and also decorated a scarecrow, with her family, that had a striking resemblance to Rosie O'Donnell. Katie Harris entered the public speaking event and took home 3rd place. Way to go ladies, you did a Great Job!

Showing Market Hogs

Don't forget about showing market hogs, it's not to late. If one of your parents showed hogs when they were in 4-H this would be a great opportunity for them to teach you what they know.

Office Holiday Schedule

Thanksgiving
Christmas

November 27 - 28
December 25 - January 1
