

PESTICIDE APPLICATOR TRAINING Quarterly Report¹

County _____

Quarter _____

CERTIFICATION

Readers (Full Certification) +	Tutoring Needed² (Full Certification) +	Non-readers (Product Certification) ³ =	Grand Total Certified
+	+	=	

Total No. Certification Training Sessions	
Total No. Certification Video Shown to	

People watching the Certification Video and taking the test are considered readers.

RECERTIFICATION

Total number of grower meetings for which recertification credit was offered this quarter (includes video + lecture meetings)	
Total number of applicators ⁴ who received recertification credit this quarter	
Total number of times video material was shown	
Total number of applicators who watched video material	
New Video Review: Total number of times "Commercial Pesticide Review of General Standards and Category 24 - Ornamentals & Turf" video was loaned out or shown for test review (This tape is a review for clients who plan to take the commercial pesticide test, not to be used for recertification.)	

¹This report is to be submitted to the District ANR Program Development Coordinator at the end of each quarter as follows. If no training is given, indicate "no training" under comments.

Quarter	Report cover the months of	Date quarterly report due to District ANR Program Development Coordinator
1	January, February, March	April 1
2	April, May, June	July 1
3	July, August, September	Oct. 1
4	October, November, December	Jan. 1

²Those applicators applying for full certification and needed special attention during a training session that in your judgement is due to poor reading comprehensive (not able to read a few big words - like "cholinesterase inhibitor") should be listed under "tutoring needed".

³Product certification is for non-readers only.

⁴Only private applicators who are already certified. Individuals who attend the meeting and are not certified should not be counted.
