### School Relations Tip #11

[Superintendent Cox Seeks Student Advisors](#) - State School Superintendent Kathy Cox is now accepting applications for students to apply for her 2009-2010 Student Advisory Council. Approximately 50 high school students will be selected to provide input on how decisions are made at the state level and how they affect students throughout Georgia. Past topics of discussion include: the school dropout rate, student leadership, communication, the Georgia graduation rule, testing, school climate and career, technical and agricultural education.

Cooperative Extension and the students involved could benefit greatly by recommending this opportunity to some of our best and brightest 4-H'ers across the state. For more information on this, go to:

Applications are due to the State Department of Education by September 30.
