**Subject:** School Relations Tip #2

**DESKTOPICKS...**

## School Relations Tip #2

["New Brochure" - Cooperative Extension: Partnering to Improve Student Achievement](#) is the title of the new brochure that is available for you to share with your school officials. In this informational brochure, ANR, FACS and 4-H work with schools is highlighted as it brings to light how we are partnering to improve student achievement across the state. Whether you want one copy to put in the hand of that new school superintendent at an introductory meeting, or enough to share with every principal in your county, we can make these available to you. Check out the brochure by going to the Cooperative Extension homepage and scrolling to the bottom. If you like what you see, you can request copies by e-mailing [jashley@uga.edu](mailto:jashley@uga.edu).

Past **DESKTOPICKS...** will be archived on the County Operations page on our intranet at <http://www.caes.uga.edu/intranet/coextopr/>. Just follow the path to Strategic Initiatives.
