| Tospovirus | Thrips virus vector(s) |
|--|--|
| Capsicum chlorosis virus | <i>Ceratothripoides claratris</i> , <i>Thrips palmi</i> |
| Calla lily chlorotic spot virus | <i>T. palmi</i> |
| Chrysanthemum stem necrosis virus | <i>Frankliniella occidentalis</i> , <i>F. schultzei</i> , <i>F. gemina</i> |
| Groundnut ringspot virus | <i>F. occidentalis</i> , <i>F. schultzei</i> , <i>F. intonosa</i> |
| Impatiens necrotic spot virus | <i>F. occidentalis</i> , <i>F. schultzei</i> , <i>F. intonosa</i> |
| Iris yellow spot virus | <i>T. tabaci</i> |
| Melon yellow spot virus | <i>T. palmi</i> |
| Peanut or Groundnut bud necrosis virus | <i>T. palmi</i> , <i>F. schultzei</i> , <i>Scirtothrips dorsalis</i> |
| Peanut chlorotic fanspot virus | <i>S. dorsalis</i> |
| Peanut yellow spot virus | <i>S. dorsalis</i> |
| Tomato chlorotic spot virus | <i>F. occidentalis</i> , <i>F. schultzei</i> , <i>F. intonosa</i> |
| Tomato spotted wilt virus | <i>F. cephalica</i> , <i>F. occidentalis</i> , <i>F. schultzei</i> , <i>F. intonosa</i> , <i>F. bispinosa</i> , <i>F. fusca</i> , <i>T. setosus</i> , <i>T. tabaci</i> |
| Tomato yellow fruit ring virus | <i>T. tabaci</i> |
| Watermelon bud necrosis virus | <i>T. palmi</i> |
| Watermelon silver mottle virus | <i>T. palmi</i> |
| Zucchini lethal chlorosis virus | <i>F. zucchini</i> |
