

MAKE AN IMPACT IN YOUR COMMUNITY AND BEYOND

“Working for Extension allows me to empower adults to support young people as they pursue their goals and dreams.”

- Kasey Bozeman, Extension 4-H specialist for science programs

Interested in making a difference around the state of Georgia?

University of Georgia Cooperative Extension is the place for you. Whether you are passionate about feeding our communities, promoting healthy habits or empowering youth, UGA Extension offers opportunities for community-driven change-makers just like you.

Join our team. From seasoned professionals to those ready to kick-start their careers, the UGA Extension team welcomes applicants to a variety of positions:

Specialists lead the way, dedicated to new research

Agents and educators take local support to new heights

Staff help make our statewide efforts possible

Our robust, statewide network is backed by a top-tier university, giving you immediate access to its resources and benefits.

ENGAGE YOUR WAY

“In Extension, each day is different, and often exciting, because sometimes you never truly know what the day is going to entail.”

*-Ashley Brantley,
Muscogee County Agriculture
and Natural Resources agent*

Intern with us. For students currently enrolled as an undergraduate or graduate at any university, UGA Extension provides firsthand, real-world experience for the next generation of leaders. Whether you are looking for class credit or a paid opportunity, an internship with us helps you:

- Advance your skills
- Build your network
- Serve your community
- Learn about legislative impact in Georgia
- Discover your passion

Volunteer. Volunteers are the heart of UGA Extension, deepening our community connections. No matter your interest and level of commitment, we welcome you with open arms.

- 4-H volunteers empower future leaders through youth clubs
- Master Gardeners and Master Naturalists share their passion and expertise
- Advisory groups take on a leadership role by providing local insight
